

Witness To Tell Of Seeing Oswald

NEW ORLEANS (UPI) — A truck salesman who told that Lee Harvey Oswald might have been in New Orleans and Dallas two weeks before President Kennedy was assassinated has been subpoenaed to testify before the New Orleans grand jury.

The grand jury subpoenaed W. Deslatte Tuesday, a day after Deslatte had refused to testify before the grand jury. Deslatte said two men, one of whom was called "Oswald," approached him two weeks before the assassination and asked about the prices of trucks.

ANOTHER FIGURE in the assassination investigation is a man who was in New Orleans, Ohio, court-

ney today to show why he should not be returned to New Orleans on a fugitive warrant. Deslatte claims Oswald is a constant and material witness in his investigation of the president's death.

Deslatte, said Deslatte, said no important to the grand jury's questions about the men's questions about the half of "Friends of Oswald" after the assassination.

Warren Commission report said Oswald left New Orleans Sept. 25, 1963, two months before the assassination, and never returned.

Deslatte told the FBI about the conversation with the two men and that was the first he had heard about it, said Deslatte.

Deslatte had been subpoenaed to appear in Deslatte's office Monday and he did appear. Following that meeting, a grand jury subpoena was issued Tuesday. Deslatte is to testify May 10, when the jury will convene.

Deslatte, 29, was to appear in municipal court for a hearing on the first fugitive warrant charging him with conspiracy in the assassination of President Kennedy.
